We are all theologians because we think about knowing God, how we know God, and what difference it makes.

Affirmations	Imperatives	Inquiry	Exploration	Desires
about human nature, about creation, Christ, God, church, judgement. I affirm or today, I believe that this is true	therefore I must	What puzzles me, is not clear, is mysterious? Is there a better question?	What do I want to know more about? What might be a good thing to try? What might be affirmed by others that seems counter to this?	l yearn to
